

# TENSIONED DIRECTOR ELECTROL®

## Dual Motor Concealed-In-The-Ceiling Electric Screen

- Same great features as Da-Lite's Director Electrol Screen except screen is tensioned for an extra flat surface for optimum image quality when using video or data projection.
- Tab guide cable system maintains even lateral tension to hold surface flat while a custom slat bar with added weight maintains vertical tension.

All fabrics will be seamless.

Dual motors with one operating the door and one operating the screen.

Optional remote control operation.
