

Advance WALL MOUNT SHELVES

Versatile Monitor Wall Mounting

- Ideal for applications involving smaller monitors requiring limited adjustments.
- Fits small to mid-size monitors from 12" to 25" diagonal.
- Model WMS-22 swivels 70° and tilts from 0-15° for optimum viewing. Models WMLS-22 and WMS-12 swivel 360° and also tilt from 0-15°.
- Heavy-duty single arm design constructed of 11-gauge steel tube with black powder coated finish and perforated swivel tray. Supports up to 150 lbs.
- Models WMS-22 and WMS-12 include a safety belt for added security.
- Two model sizes: 9 1/4" L x 12" W WMS 12 and 13 1/2" L x 22" W WMS 22 offered with and without security lock.
- Models WMS-22 and WMS-12 are UL and C-UL listed.

WMLS
